

# Envision Door

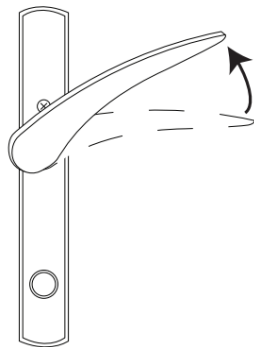

Commercial Swinging Patio Doors for Retrofit and New Construction

## Envision Swing Door Locking Instructions

### a. Engaging active lock.

To lock door, close door and engage deadbolt then lift handle up to activate the multi-point lock.

Use key or thumbturn to engage deadbolt.

### b. Disengaging active lock.

To unlock and open, disengage deadbolt with key or thumbturn then open by pushing handle fully down.
